

Position Description

Landscape Architect/Planner

Immediate opening

Experience required: two to ten years

Consilium Design is a land planning, landscape architecture and urban design firm with community design and real estate development work throughout Colorado, the United States and abroad. Our mission is to create authentic places that are connected to the land, forming a meaningful backdrop for everyday life.

We are seeking a highly creative and motivated individual to join the core design team of our practice. If your goal is to work in a fast paced, collaborative design environment where new ideas are always welcome, we would like know about you and the talents you have to offer.

Exceptional speaking, writing, foreign language, and hand graphic skills are highly valued and will be given particular consideration. Candidates should have practical experience with AutoCAD, Photoshop, Sketch Up, Power Point and other computer graphics. Proven project management skills as well as the ability to interact well with others at all experience levels are a prerequisite. Licensure as a landscape architect is preferred.

Education Requirements: Bachelor or Master level degree in landscape architecture or related field.

Please send your resume and work samples to:
(Hard copy preferred)
