Title: Denver Digs Trees Volunteer Opportunities – April 12th, 14th, & 15th

Denver Digs Trees, a branch of The Park People, is a local urban forestry program focused on helping residents cultivate greener, healthier, more livable communities through annually distributing medium and large sized shade trees to be planted throughout the City of Denver. As a show of our support for this program and local urban communities, COASLA will be organizing groups of member volunteers to participate in the following program events this year:

- Tree Unloading Day, Weds April 12th from 8am - 3pm.
- Early Pick-Up Day, Fri April 14th from 8am - 10am.
- Denver Digs Trees Distribution Day, Sat April 15th from 8am - 11:30am
- Denver Digs Trees Yard & Fruit Tree Sale, Sat April 15th from noon - 2pm

There will be many different volunteer opportunities available during these events, and we would love to have the support of as many chapter members as possible!

For more information about Denver Digs Trees volunteer opportunities, and to register with the COASLA volunteer group please contact William Coleman at wcoleman@architerragroup.com

More information about The Park People can be found on their website at <http://www.theparkpeople.org/Home.aspx>
