

## Landscape Architect/Planner – Colorado Springs, Colorado

Thomas + Thomas is a recognized leader in southern Colorado offering creative, smart and effective planning and landscape design solutions. The office is located in Colorado Springs at the base of 14,114' Pikes Peak. Colorado Springs is also home to over 9,000 acres of parkland with access to hundreds of miles of trails, including the renowned Garden of the Gods Park. The City of Colorado Springs boasts as one of the top 5 cities in the country to live in with a growing coffee, restaurant and art scene. Colorado Springs is home to the United States Air Force Academy as well as the US Olympic Museum scheduled to open in 2019.

Thomas + Thomas is a company with creative collaborators that strive to understand our clients' visions to deliver practical and intuitive solutions in an iconic manner. We are a small team of hardworking people motivated to serve our clients and to the development of a healthy work environment. For 35 years we have served a broad range of project types from feasibility studies and Master Plans to final design. Our markets include park and recreation, trails, schools and campuses, residential communities and commercial mix use. Our clients have also included small community directors, national home builders, local municipalities, and the United States Air Force.

### Experienced Landscape Architect Planner (5 + years experience)
