

Title: **Landscape Architect or Designer**, Full Time, 3-10 year's experience

Location: 2020 B Pearl Street, Boulder, CO

Description:

Chroma Design is a growing landscape architecture and urban design firm focused on producing **community gateways, bridge aesthetics, unique site designs, and master plans**. We provide full services to clients throughout the U.S., often functioning as prime consultants and lead designers for complex urban projects. Our context-sensitive work frequently includes vertical features that incorporate steel, concrete, glass, stone, and specialty lighting. We are currently working on design and construction documents for community gateways, urban streetscapes, and campus gathering areas. Please reply if you have the required experience, would like to work with a seasoned professional in a small Boulder office, and are ready to expand your range of professional skills on some challenging projects.

Responsibilities include:

- Design and Planning: developing design sketches into 2D AutoCAD layouts and 3D SketchUp models.
- Detailing: working out design and construction drawings for design elements.
- Construction Documentation: preparing construction plans, details, and 3D illustrations.
- Reports and Graphics: preparing illustrated master plans and marketing documents.
- Team Coordination: coordinating document production and file sharing.

Skills required:

- A minimum of 3 years applicable project experience working in a private landscape architecture design firm.
- Effective verbal and written communication skills.
- A passion for producing the highest quality design and construction documents.
- A strong professional interest in urban design, plants and ecosystems, art, and getting designs constructed.
- Proficiency - including understanding, speed, and effectiveness using: AutoCAD, SketchUP, Adobe Creative Suite, MS Office, and hand rendering. Experience with Civil 3D, Revit, or Rhino is a plus.

Education:

BLA or MLA from a program accredited by the LAAB.

Salary: Chroma Design offers competitive compensation and benefits commensurate with each candidate's capabilities and motivation.

Response:

Applicants, please E Mail a letter of interest, resume, and portfolio, in PDF format, to:
