

CONSTRUCTION SERVICES – LANDSCAPE ARCHITECT | DENVER

10 - 15 years of experience

We're looking for an experience Construction Services – Landscape Architect to join us in our Denver office. Norris Design is a worldwide strategic partner in planning, landscape architecture and branding. We create value for our clients by combining excellent service with innovative solutions that can be implemented (in other words, our designs get built!). See what we mean at www.norris-design.com.

What do we have to offer?

You'll be surrounded by creative people who love what they do while forging their own career paths. You'll work with clients who entrust us with their projects, enjoy working with us and continue to come back time after time. You'll have access to great technology, skill sets and creativity that knows no boundaries. You'll be mentored, no matter how much experience you have – our mentoring culture is an important ingredient that contributes to our success as a company, and to the success of our people.

Our Baseline

- Assist primary construction manager and oversee landscape and irrigation improvements for compliance with plans and specifications
- Develop criteria for evaluating a project and oversee the inspection process for ensuring compliance
- Develop creative design solutions when differences surface between plans and field conditions
- Develop bid documents from construction plans
- Prepare technical specifications
- Review and pay applications and change orders
- Review construction plans for errors, omissions, risk, and compliance
- Bachelor's Degree in Landscape Architecture, Landscape Design and Construction, or Construction Management is preferred
