

ELEVATE BY DESIGN

Denver, Colorado

LANDSCAPE ARCHITECT/DESIGNER

1-5+ Years Experience

Elevate By Design, a high end residential landscape architecture firm located in Denver, Colorado, has an opportunity available for a full time landscape architect/designer. The selected candidate will be involved in various stages of projects. Position responsibilities include, but are not limited to:

- Studio Meetings: participate in weekly studio meetings to map out weekly schedule and deadlines
- Client Meetings: Go on consultations for new leads, or assist principle on new project lead.
- Site Work: locate existing site elements and create existing site conditions plans.
- Base Plan Work: transcribe site work into base plan to study and charrette designs.
- Design charrette: Collaboratively working with designers, charrette plans based on client's needs.
- AutoCAD Plan Work: translate design sketches into CAD plan layout(s), complete with appropriate labels, dimensions and illustrative details/section/elevations (when necessary).
- SketchUp: build landscape designs in SketchUp and assist with renderings
- Design Package assembly: Complete design packages to include existing conditions plan, layout plan, planting plan, lighting plan, details sheets, and 3D imagery.
- Project Site Visits: candidate will have the opportunity to observe projects in various phases of installation and see how project challenges are handled.
- Project Management: Will be responsible to oversee and coordinate project installations. This includes weekly meetings, meeting notes, project scheduling, etc.

If interested, please send resume and portfolio to Chris Turner (cturner@ebdstudios.com) and Paul Wrona (pwrona@ebdstudios.com).

No phone calls please.
