SUBMITTAL INFO

Title:

Text for your submittal:

(include the date, location, a brief description, and a contact or link for more information)

Optional url/website for more info or registration page:

Please Note: attachments cannot be sent in the eNotice but we can post them on our website and insert a "CLICK HERE" link in the eNotice, or if there is a graphic we can also insert that (but any embedded links in the graphic will be turned off). **It usually takes 2-3 business days to post something to the website, so please keep that in mind when submitting an attachment.**

Here are examples of a typical eNotice entry, 2-3 sentences of text with a title that explains what the submittal is about, formats can vary slightly.
