Community + Landscape Architects

Landscape Architect/Designer (1-3 years)

We're looking for a special new team member to join our firm! Design Concepts is seeking a unique, personable, passionate and talented Landscape Architect/Designer to our studio environment and to complement our firm. Are you such a candidate? If so, read on . . .

About Design Concepts

We're a landscape architecture practice focused on innovation and exploration in design of public community spaces—from parks, schools, greenways, open space, trails and other civic projects. Above all else, creating healthy communities and environments is at the forefront of our design. Located in eclectic old town Lafayette, Colorado, our open studio office is full of brilliant like-minded folks who share a deep passion to our craft and extraordinary commitment to serve the greater community.

Here's What We're Looking For

We are seeking a highly motivated, creative and personable individual with 1-3 years of experience who enjoys collaborating with other creative professionals in an open studio environment.

Required skills include:

- Bachelor's or Master's Degree in Landscape Architecture
- Effectively participate and contribute to a collaborative team environment
- A passion for creativity
- Knowledge/experience in the design process from master plan through construction documentation and administration
- High level of attention to quality and detail
- Ability to work at a variety of project scales
- Ability to multitask projects
- Strong design and organizational skills
- Strong oral, written, and presentation skills
- Strong graphic and technical computer skills in AutoCAD, GIS, Adobe (InDesign, Illustrator and Photoshop), SketchUp, Lumion and hand drawing

The ideal candidate will be dedicated and motivated to excel and can work independently yet collaboratively within our team environment.

If this sound like a fit for you, please email a short cover letter, resume and select project and graphic samples (10-page maximum, PDF format less than 10mb) to shanenw@dcla.net
