

Mundus Bishop is an award-winning landscape architectural firm based in Denver, Colorado. We specialize in creating meaningful parks, open spaces, and civic landscapes informed by their individual contexts and stories. We primarily work with federal and state agencies and local municipalities for places in urban, natural and cultural settings.

We are seeking candidates for the following positions:

Landscape Designer (2 – 5 years of experience)

We are seeking a talented landscape designer with exceptional technical and production skills who is passionate about our profession. The ideal candidate will have a minimum of two (2) years of office experience, preferably working on public open space / park, institution and campus projects. Expertise and proficiency in all standard graphic and production software programs is required as are skills in GIS and 3-D renderings and animation applications. Experience in oral and written communication, and in capabilities in conveying ideas through graphic presentations is desirable. A professional path to licensure is required. Travel may be required.

Landscape Architect (5 – 8 years of experience)

We are seeking a talented and experienced landscape architect to join us in creating memorable and resilient places. The successful candidate will be skilled in writing, analysis, and design with expertise in conveying ideas through graphic and written work. A detailed design focus, strong technical skills in all aspects of site design, and construction administration is required. Proficiency in AutoCAD, Adobe Creative Suite, and Microsoft Office are expected, along with familiarity with Sketch Up, animation applications, and ArcGIS. The ideal candidate will be a licensed landscape architect with experience in parks, open spaces, cultural landscapes, institutions, campuses, museums and urban spaces. Experience in working collaboratively with governmental agencies and stakeholders is highly desired. Travel is required.

If you are passionate about the profession of landscape architecture and interested in contributing your talents to the planning and design of significant cultural, social and natural places, please consider our creative team.

Email a **short cover letter, resume, and a brief sample portfolio as a PDF** – please keep file size to 10MB or under. All inquiries are considered confidential. No phone inquiries, please.
