

1-2 YEAR LANDSCAPE DESIGNER

JOB DESCRIPTION

DHM Design Corporation has an opening in our Carbondale office for a 1-2 Year Landscape Designer.

DHM DESIGN

DHM Design is an employee-owned planning and landscape architecture firm that provides a range of services, including landscape architecture, land planning, graphic design and environmental planning to clients nationwide. With a comprehensive ecological services division, we approach each new project with a grounded, site-based, and locally-focused perspective. Our own philosophy of stewardship will complement the ecologically based design ethic already established in the region.

Our experience embraces a diverse portfolio of planning and design projects:

- National Park Service
- Resorts and Communities
- Historic and Civic Facilities
- Parks, Open Space, and Greenways
- Mixed-use Developments
- Urban Transportation Systems
- Private Estates
- Rural Properties

DHM has 4 offices located in Denver, Carbondale, Durango and Bozeman.

POSITION LOCATION

Carbondale is a community of 6,000 on the western slope of Colorado. With over two decades of projects in the region, including ranch planning, hospitality, parks and recreation throughout the region, this office, which opened in 1998 services clients a wide and diverse range of projects.

EXPERIENCE LEVEL

The ideal candidate will have a degree in landscape architecture with 1-2 years of proven work experience. He or she should be able to work independently and participate in all aspects of the design process in a small hands-on environment.

- A Bachelors or Master's Design Degree in Design
- 1-2 years of experience
- Evidence of commitment to design excellence
- Ability to communicate with appropriate graphic skills
- Proficiency in AutoCAD, Adobe CS (Photoshop, InDesign Illustrator), 3D modeling, and hand drawing
- Ability to work collaboratively in a close team environment
- Knowledge of landscape and hardscape materials, applications and construction
- Strong design and organizational skills
- A passion for creativity
- Enthusiasm for the profession with an ability to work independently

We are searching for a designer who is committed to results that are real – buildable and appropriate in their contexts, yet often stretches the boundaries and blurs the line between: intuition and analysis, science and art, building and nature. Someone who is constantly looking to discover the overlooked and undiscovered beauty of a place, and someone who can express that essence in his/her designs.

EDUCATION

Design degree is required. Candidates with additional background, experience or education in ecology, natural resources and/or graphic design are encouraged to share details.

HOW TO APPLY

Please submit the following: Single PDF under 10 MB with cover letter, resume & work samples to dhmresumes@dhmdesign.com and note Carbondale 1-2 Year Landscape Designer Position in the subject line. No phone calls please.
