

Senior Landscape Architect/ Planner
(3-6 years' experience)

Terracina Design is a boutique Landscape Architecture and Planning firm located in Denver, Colorado. We specialize in community design which ranges from master land use planning to detailed park design. Visit www.TerracinaDesign.com to learn more about us.

We are seeking a mid-level design professional to assist in the design and execution of projects. The selected professional should have experience working in a fast-paced, private sector environment and have experience in site / landscape design, graphic renderings, entitlements, and construction documents.

Education and Experience Required

- Bachelor's Degree in Landscape Architecture, Planning, Urban Design or a related field.
- 3-6 years of related experience.
- Proficient use of AUTOCAD, Photoshop, and Microsoft Office.
- Strong written and verbal communication skills
- Ability to utilize creativity and problem solving in design work.

Interested applicants should apply to:

Layla Rosales
