Landscape Designer: 1-3 Years

Oxbow Design Collaborative is a multi-disciplinary design practice that is focused in the areas of site planning, urban design, and landscape architecture for a diverse range of clients across the public and private sectors. Currently, we are looking for a landscape designer with 1 to 3 year's of experience to join our growing studio in Denver.

The successful candidate will have a sharp sense of design, composition, scale, and proportion as well as an ability to communicate clearly through visual language (diagrams, models, maps, and sketches). We are small, fast-paced office experiencing growth and we are looking for individuals that can provide support while being curious, engaged, and highly motivated.

Candidates must have a master's degree in Landscape Architecture or Urban Design and a minimum of 1 year working in a professional office. Proficiency with AutoCAD, Illustrator, InDesign, Photoshop, Sketchup, and Excel is required. Additionally, strong written and verbal communication skills and the ability to perform research are considered an asset.

We offer a competitive compensation and excellent benefit package.

If you are interested in joining our team, please send a resume and work samples to david@oxbowdbc.com and include "Landscape Designer Position" in the subject line. (emails over 15mb will not be received and therefore, considered). For more information on Oxbow, please visit www.oxbowdbc.com.

No calls please.
