

Job Ad Memo

Date: 2021.04.22
To: CCASLA Job Board
From: Wayne Sterling
RE: Landscape Architect/Designer - 0-5 Years of Experience

Sterling Design Associates is a Planning, Civil Engineering, Landscape Architecture and Surveying Firm specializing in private and public sector projects in the Western US. Our focus is on Entitlements, Site Planning, and Full Site Construction Drawings. We work in an open studio, collaborative environment. Our offices are located adjacent to Light-Rail in Historic Downtown Littleton.

We are interested in an individual with a good sense of design, Colorado plant materials, and construction. Candidate must have excellent drafting skills utilizing AutoCAD software. Experience with Sketch-Up, and Photoshop is also preferred.

Full Time Benefits would include employer paid Health, Dental and Vision Insurance, with a 3% matching Simple IRA plan. Participation in a quarterly bonus program primarily built around company benchmarks is also available.

We look forward to hearing from you. Please send resume, work samples, salary history and references (15Mb Limit) to Wayne@Sterlingdesignassociates.com.

No phone calls or drop-ins please.
